

•2020• WORK RELATED INJURIES WORKSHOP

March 23rd & 24th, 2020

Dear Attendee,

We are pleased to announce the upcoming 2-day meeting “*Work Related Injuries Workshop*” is scheduled to take place March 23rd & 24th, 2020 in Waltham, Massachusetts.

Convening a diverse group of professionals and subject matter experts in the field of worker injury, the meeting will provide a unique forum to address the latest concepts, challenges, and trends. The meeting will offer an interactive format, leveraging round-table and case-based discussions led by experts in their respective fields.

A sampling of attendees includes: occupational health physicians, nurse practitioners, case managers, utilization reviewers, human resources professionals, occupational health professionals, attorneys, judges, and any other professionals that engage with injured workers.

We hope that you will join us for this not-to-miss event!

Sincerely,

Tony Tannoury, MD
Program Chair

Karen Huyck, MD, PhD, MPH
Activity Director

**Learning Outcome*

At the conclusion of the activity, attendees, with new knowledge of appropriate response to injured workers and related challenges, will be able to identify all significant stakeholders in the end-to-end process in order to incorporate current trends in practice into the individual patient plan of care.
