Medical Deposition Points

- Medical evidence by deposition is authorized by G.L. Ch. 152 and 452 CMR 1.12
- In most cases, medical evidence by deposition is limited to the Impartial Physician unless the Administrative Judge finds the Impartial Report “inadequate” or the matter “complex”.
- All objections by attorneys must be on the record and stated with “particularity” and “supporting reasons”.
- Depositions involve direct and cross examination.
